Interviewees :	Leon Hayes, Switch Select		
Interviewees :	Mike Baird, Shadow Energy Minister		
Interviewees :	Mike Baird, NSW Shadow Energy Minister		

A national survey has found Sydney electricity prices are among the lowest in the country according to energy broker Switch Select. The NSW Govt says privatisation should not change the comparison, claiming it reduced energy bills in Victoria and SA. Even with competition, the price of energy in NSW will rise. Michael Costa blames a federal plan for a carbon trading scheme.
